A DOG'S DAY.

After being chased and harrassed by old Al, Danny Dog finally joins the farmer's expedition to Africa. There they shoot up a lion and make a friend of an elephant.

Al is disturbed by a butterfly and when he shoots at it, it turns out to be a bear's ear. The bear chases Al to a cliff. The farmer falls off into an ape's arms.

Danny Dog runs into the cave where the ape has taken Al. He knocks out the apes, and as Al is thanking him, the apes come to and chase them over the hill.

AESOP SAYS:-

A DOG IS MAN'S BEST FRIEND, UNLESS HE HAS FLEAS."
